Philosophy

DOC Alentejo (Protected designation of origin)

Organic wine / Vegan wine

Sativa – PT-BIO-03 / Associação Vegetariana Portuguesa

Believing that the future will be the result of today's commitments, we cultivate a vineyard of exclusively Portuguese grapes, on a genuine landscape, as natural as primitive, where sustainability and enhancement of biodiversity are fundamental purposes of the organic agriculture practiced. The entire production is naturally vinified in small lots.

From the willingness and passion of its creators, is born this organic red wine which is *Naturally Alentejo*

Year

2021

Type

Red

Country

Portugal, Alentejo, Borba subregion

Origin

Monte da Tapada Nova, Estremoz, Alentejo

Varieties

Aragonez (50%); Trincadeira (30%); Alfrocheiro Preto (10%); Alicante Boushet (10%)

Area

4 ha

Soils

Schists with quartz intrusions

Production

5.500 bottles

Tasting Notes

Ruby color with violet tones, with an embracing aroma and plenty of ripened fruit, herbs, spices and hints of black pepper.

The palate has wild fruits with blackberries and smoky hints. This wine, elegant and balanced, has the tannins well present.

Consumpt. temp.

16 - 18 °C

Harvest

The harvest took place on September. During this period, during every week were conducted several maturation controls, selecting the plots fit for harvesting depending on the optimum state of ripeness of the grapes within the same variety and the same vineyard. The grapes of the selected plots were harvested by hand and immediately transported to the winery in boxes of 12 Kg.

Winemaking

In the cellar, the grapes of the selected varieties were vinified as a blend in a stainless steel open vat, after destemming and slight crushing. Fermentation took place at controlled temperature, followed by skins maceration. 70% of the batch matured in French oak 225l and 300l barrels for 10 months.

Other

Estate produced and bottled

V-Label Licence

EU-P067001 (Vegan)

Suitable for vegetarians/vegans (no animal origin products used in production and fining).

ANALYTICAL DATA

Álcohol: 14,1%

Ph: 3,67

Total acidity: 5,3
