DOC Alentejo (Protected designation of origin)

Organic wine / Vegan wine

Sativa – PT-BIO-03 / Associação Vegetariana Portuguesa

Believing that the future will be the result of today's commitments, we cultivate a vineyard of exclusively Portuguese grapes, on a genuine landscape, as natural as primitive, where sustainability and enhancement of biodiversity are fundamental purposes of the organic agriculture practiced. The entire production is naturally vinified in small lots. From the willingness and passion of its creators, is born this organic rosé wine which is, *Naturally...Alentejo.*

Tasting Notes

1.184 bottles

Light salmon color. Complex aroma revealing a bouquet of wild fruits and spices, with notes of rose pepper. Very elegant, silky and alive in the palate, with notes of aromatic herbs and fresh fruits. With a long and persistent finish.

Consumpt. temp.

10 - 12 °C

Harvest

The Outeiros Altos rosé is born with the purpose of being a wine with its own personality, selecting in several vineyard plots the best grapes for its freshness and aroma that best fit into the idealized wine profile.

The manual harvests took place on the mornings of September. The grapes harvested in 20 kg boxes were immediately transported to the winery after harvesting.

Winemaking

Soon after the arrival of the grapes to the winery they were destemmed, crushed and gently pressed. The fermentation was done at controlled low temperature 15°C for 20 days.

Others

Suitable for vegans/vegetarians (no animal-derived fining agents used).
